### **Stronger and lighter than wood with unexcelled Cadillac-powered performance**

Truly, this is boating's most advanced deluxe utility boat. The **FIRST** with **ALL-STEEL FRAMING!** Lighter and stronger by far than wood . . . a new kind of hull-tight construction to protect your investment for a lifetime. And, the **EL DORADO** has **POWER** . . . the responsive performance of a stock Cadillac engine to breeze you along at speeds up to 45 MPH.

Notice the **EL DORADO'S** dramatic new hull design. You get superb maneuverability both underway and at dockside --- exceptional dry running, non-rolling characteristics.

With it all the **EL DORADO** is supremely comfortable. Its wide front seat holds four with room to spare! The **EL DORADO'S** price? Less --- much less --- than you think. Give your Besotes Bros. representative the pleasure of telling you all about the **EL DORADO** . . . now.

**BESOTES BROS. EQUIPMENT CO., STOCKTON, CALIF.**

### **Besotes Runabout**
