

Introducing THE *Tahoe*

ALL-STEEL FRAMING

Here is the Tahoe --- the latest and sleekest addition to the growing Besotes line of really fine boats.

One thrilling ride as a passenger --- or as a skier --- and the Tahoe will win you completely. Sensational

Cadillac power skims you along at speeds to 45 mph. Your Tahoe is built to last --- its carefree spirit protected by exclusive all-steel framing and the finest construction detailing. And notice the lower free-

board. You slip out of the water into a Tahoe with ease.

Take a good look at the Tahoe today . . . the finest buy, by far, in its class.
